## **The Common Thread for The Cure’s Lake Lure Golf Tournament Shatters Records, Raises \$100,000 in Most Successful Event Yet**

**LEXINGTON, N.C. May 21, 2024** — *The Common Thread for the Cure Foundation* proudly announces the unprecedented success of its annual Lake Lure Golf Tournament, as it achieved a monumental milestone by raising more than \$100,000 in donations. As the Foundation’s most successful fundraiser to date, the funds will be used as confidential grants intended to assist individuals fighting breast cancer who are affiliated with the design and furnishings industry.

The remarkable feat not only underscores the unwavering commitment of the organization’s supporters but also marks a significant step forward in the fight against breast cancer. Set in the North Carolina Blue Ridge foothills amidst the serene backdrop of Lake Lure, the tournament brought together avid golfers, dedicated sponsors, and compassionate donors, all united in their shared mission to make a difference in the lives of those affected by breast cancer.

“Thank you to everyone who made this event our most successful fundraiser,” said Jane Barea, Foundation president. “Because of your generosity and belief in the mission of the Foundation, you made it possible to gross over \$100,000 to award as grants to the resilient individuals in our industry fighting breast cancer. Our grants support survivors in their efforts to focus on healing.”

The Foundation and Tournament Sponsors deserving of recognition for their support include Flower Magazine, Hickory Chair, MRG Southeast Inc., Paul Brayton Designs, Valley Forge Fabrics, FurnitureDealer.net, Mayer Fabrics, Michael F Luther and Associates, Crypton (Hi-Tex), OFS Brands, DPR Construction, Lexington Home Brands, The Contract Group, Momentum Textiles and Wallcovering, La-Z-Boy Healthcare/Knu Comfort, Good’s Home Furnishings and Versteel.
